**System Integrator focusing on Digital Transformation**

[www.kdexglobal.com](http://www.kdexglobal.com)

## **1. About this Privacy & Cookie Policy:**

KDex Global L. L. C. is a company registered in North Carolina, U.S.A... KDex Global is committed to safeguarding the privacy of third parties with whom we interact, including our Clients, our Expert and third parties who visit our website and use our services and products.

This Privacy and Cookie Policy sets out how we collect, and process your personal information gathered from any of our websites and product services and through the other channels. If you provide your information to us either via our website, or product service pages, in person, over the phone or by email (or by other means of electronic communication), you agree to the processing set out in this Privacy and Cookie Policy.

We may change or update this Privacy and Cookie Policy from time to time without notice and any such changes will take effect from the time the revised version is available on either our websites or via our product services pages. We therefore request you periodically to review this agreement to ensure your understanding of an agreement with the latest requirements.

## **2. Information we may collect about you:**

### **2.1 Types for data collected**

You agree that KDex Global may collect, retain, and verify information about you and your company that uses our product services. Specifically, types of data may include:

- Identity Data, including first name, maiden name, last name, username or similar identifier, title, and gender.
- Contact Data, including your address(es), email address(es) and telephone number(s).
- Financial Data (if we pay you anything), including bank account details.
- Transaction Data, including interactions you may have had with us.
- Technical Data, including internet protocol (IP) address, login data, browser type and version, time zone setting and location, browser plug-in types and versions, operating system and platform and other technology on the devices you use to access any of our websites.
- Profile Data, including your CV, professional background and career history.
- Usage Data, including information about how you use any of our websites, products and services.
- Marketing and Communications Data, including your preferences in receiving marketing from us and third parties and your communication preferences.

We do not intend to collect the following special categories of personal data about you: race / ethnicity, religious / philosophical beliefs, sexual orientation, political opinions, trade union membership, information about your health and genetic biometric data.

## **2.1 Sources of data**

We generally collect information from the following sources:

- Our correspondence (by email, telephone, or other electronic means);
- Information you provide to us (for example during the registration process including bank details etc.)
- Your transactions (transactions carried out through this website and in the fulfilment of services we provide);
- Website and communication usage (details of your visits to any of our websites and information collected through cookies and other tracking technologies. Such information may include but is not limited to your IP address and domain name, your browser version and operating system, traffic data, location data, web logs and other communication data.); and
- Publicly available Data / Data you choose to make public (We may collect Personal Data you manifestly choose to make public including via social media or networking sites such as LinkedIn, or public data from sources such as press releases found through search engines. Such information may include your name, academic and professional background and employment history, including the identities of your current and former employers and job titles/positions.).

## **3. How we use your personal information:**

We may use your personal information in the following ways. In each case, we justify why we use your data in these ways as required under data protection laws.

In General:

- a. For research and development purposes (to understand our products and services better so we can improve our products and services).

Use justification: Legitimate Interests

- b. For research and development purposes (to understand our products and services better so we can improve our products and services).

Use justification: Legitimate Interests
